Dear Parent,

Greetings from Buds Public School!

To ensure our students are thoroughly prepared and have ample time to cover the academic curriculum, the school has scheduled extra classes for Grade 10 and Grade 12.

Class Schedule:

- Date: Friday, 11th, 18th, 25th September 2026
- Time: 11:10 AM to 4:00 PM
- Attendance: Mandatory for all students

Please arrange for your ward's timely pick-up if they do not use school transportation.

Students should carry sufficient lunch, snacks, and water, as the session extends into the afternoon. Students must bring all relevant textbooks, notebooks, and study materials for their core subjects.

We appreciate your continued cooperation and support in helping our students achieve academic excellence.
