Subject: School Timings For The 2024-25 Academic Year

Dear Parent,

Greetings from Buds Public School!

At Buds Public School, our commitment to providing the best education to our students remains our top priority. With this goal in mind, we are excited to announce a positive change aimed at enhancing the holistic learning experience of our students.

Effective from **April 1st, 2024**, we will be extending the school timings for all students, however the school timings and timetable shall remain the same during ramadan. The new timings will be as follows:

Grade 1 to 12: 8:00 am to 3:00 pm (Ramadan Timing: 8:00 am to 1:00 pm)

Kindergarten: 8:00 am to 12:00 pm (Ramadan Timing: 8:00 am to 10:30 am)

We believe that holistic learning, which encompasses academic, physical, social, and emotional development, is essential for the well-rounded growth of our students. By extending the school timings, we aim to provide ample opportunities for our students to engage in a wide range of activities that contribute to their overall development. The extended timings will allow our students to actively participate in indoor and outdoor sports, games, and clubs. Engaging in these activities not only promotes physical fitness but also fosters teamwork, leadership skills, and overall well-being.

We are confident that this positive change will greatly benefit our students, and look forward towards your support and cooperation in ensuring a smooth transition to the new timings.

Regards,

Donald Errol Weilson
